Guide Dogs
COLLECTION

We're 50 years young!

In 2010, Guide Dogs Queensland celebrates 50 years of service to Queenslanders who are blind or vision impaired.

Established on the 26th of May 1960, GDQ is today the state's principal not-for-profit association to provide Guide Dogs, White Canes and alternative mobility aids to adults and children of all ages.

Despite humble beginnings, the association has grown into a highly professional, sustainable and modern service provider. The brand is one of Queensland's most respected with Reader's Digest voting Guide Dogs Queensland, under the umbrella of Guide Dogs Australia, as the third most trusted brand in Australia in 2007.

Mrs Louise Arnold of West End Brisbane was our first client and Queenslanders to work with a Guide Dog. It was she who inspired the Apex movement to help establish an association in Queensland dedicated to local services and was elected our very first president in 1960. Through Guide Dogs Queensland, Mrs Arnold and Guide Dog 'Wane' paved the way for thousands of Queenslanders to discover mobility, independence and freedom.

Thanks to unwavering community support, we continue to provide all services including Guide Dogs free-of-charge.

We have much to celebrate this year. I hope you enjoy this catalogue and become inspired to support our endeavours for Queensland's blind and vision impaired community in 2010.

Thank you

Chris Laine
Chief Executive Officer

Quality Wine for a Cause

The Guide Dogs Queensland Wine Club has supported family-owned vineyards and winemakers for over a decade. We are proud to offer an exceptional range of thoughtfully selected wines from renowned Australian wine-growing regions, including the Hunter Valley, the Barossa and Margaret River.

As a fundraising arm of Guide Dogs Queensland, all proceeds from the Guide Dogs Queensland Wine Club sales will assist the association in providing its life-changing mobility services.

With just one wine purchase, you automatically join the Guide Dogs Queensland Wine Club, which uniquely allows you to purchase at your leisure throughout the year. As a member, you will discover outstanding wine as well as enjoy our special member offers and giveaways while making a difference to Queenslanders who are blind or vision impaired.

Golden Litter

It is with great pleasure that we share with you, as a supporter of this catalogue, the arrival of our special 'R' Litter on the cusp of our 50th Birthday.

In 2010 Guide Dogs Queensland celebrates 50 years of service to Queenslanders who are blind or vision impaired so we were thrilled to welcome this beautiful "Golden Litter".

Golden Retrievers or 'Goldens' as we call them, are intrinsic to our breeding program as we focus on pure lines as well as Labradors and the cross breed of Golden Retriever/Labrador. Known for their affectionate nature, Goldens are happy and sweet but it is their intuition, conscientious approach and enthusiastic, worker mentality that make them fantastic guides.

Our trainers describe them as "complex and clever" with an ability to solve problems they have never seen before. This year we plan to breed 120 puppies of all types – an all time record for Guide Dogs Queensland.

Now 12 weeks of age our newest Golden babies: 'Russell', 'Riskey', 'Remmi', 'Reba', 'Rose' and 'Rhea' face a long road ahead to they become a Guide Dog. It will take a whole community of people and two years of hard work before each is ready to establish a partnership with a Queenslanders who is blind.

The 'R's are now out in the community being raised and adored by puppy raisers who voluntarily take them into their homes and provide basic obedience training and socialization. The pups will be taken on trains, buses, taxis and into shopping centres so they know what it's like to access all areas.

At 12 months they will return to our centre and undertake formal Guide Dog training.

We wish them luck and look forward to watching them grow and develop throughout this special year.
