

PUPPY PALS FAQ

Who can be a Puppy Pal?

Anyone can join, from individuals to organisations and businesses. Puppy Pals sponsorship starts at just \$25 a month. A Puppy Pals sponsorship is also the perfect gift for someone you love.

Is my sponsorship tax deductible?

It's definitely tax deductible and should be included in your tax return.

Does Guide Dogs Queensland receive any government funding for its dogs?

We receive limited government funding and rely on the generosity of the community and businesses to pay for our Guide Dog program. Thanks to the ongoing support of the community and assistance from government, we provide our services for free to those we help.

Can I cancel my sponsorship?

You can, but we'd be very sad to see you go! Just give us a call on 1800 810 122.

Can I visit my litter of puppies?

No, Puppy Pals sponsors receive updates on the progress of their litter through the Puppy Pandemonium newsletter. However, you can come along to our Puppy Pals Day and meet some furry faces!

Does every puppy in a litter become a Guide Dog?

No, only the best of the best puppies can become Guide Dogs. While all our pups are bred with great Guide Dog genes, each pup's personality makes them different with some better suited to other working roles or as companions for people.

Can I name a puppy?

You can provide name suggestions for our new litters through our Guide Dogs Queensland Facebook page. Just "Like" our page and keep an eye out for new posts so you can contribute your favourite names for consideration.
